

Welcome Webster University Class of 2015!

The Academic Advising Center at Webster University invites you to join us for a half-day registration program including group sessions on advisement, as well as individualized registration workshops to design your schedule. Our team of experienced professional and faculty advisors will assist you in registering for Fall 2011 semester courses appropriate to your skills, interests and abilities.

Group sessions for students and parents by the Financial Aid office, Student Services, Residential Life and Counseling Life Development help you become acquainted with the services we provide to encourage student success.

New students will leave campus with an experience of discussing academic interests with a professional or faculty advisor, a student copy of their Fall course registration, student ID card,

information on Financial Aid, Residential Housing options, New Student Orientation in August, and our full complement of academic, social and personal support services available on campus.

Please examine the dates below and choose one that fits your schedule.
