Maps!

From Interstate 44 exit 280, take Elm Ave exit, north off ramp (right if you are westbound, left if you are eastbound) to traffic light at Big Bend. Right (East) on Big Bend for a few minutes. After Selma and Catalina on your right you will pass a Webster University sign on your right.

If you are arriving between 4pm - 7pm on Friday or anytime Saturday, take the first right turn after the sign, in between two large victorian houses. Proceed to the far end of the lot, the large building on your left is the University Center. We will have a welcome desk set up to check you in upstairs.

If you are arriving between 7pm – 11pm on Friday, go straight down Big Bend to the first traffic light, go right on Edgar Road and left at the traffic light at Garden. You will be in front of the Webster Village Apartments Clubhouse on your right – this is the location for the welcome event.
