

NOMINATIONS PLEASE! – Alumni Awards 2009

We invite all members of the Webster Community to nominate deserving alumni for the following awards.

- **Distinguished Alumni Award**

This is the highest alumni award given. The Webster University Alumni Association annually recognizes an alumna or alumnus, regardless of the School or College he or she graduated from, who has made specific, meritorious contributions to society through his or her profession and/or involvement in civic, cultural or charitable activities. This award recognizes high achievement that reflects credit upon the individual and Webster University. *As part of the selection process, the Alumni Awards Committee considers the influence and impact the individual has had beyond his or her local community (regionally, nationally, internationally) in their profession or service, and whether or not the alum has been the “first” to accomplish something.*

- **Outstanding Alumni Award**

The Alumni Association joins with Webster's five Schools and Colleges, highlighting the diverse disciplines of the University, to present an Outstanding Alumni Award to an alumna or alumnus from each School or College who has achieved outstanding success and recognition in their profession and/or voluntary service. Each Dean makes the final selection of the recipient for his or her respective school.

- **Loretto Award**

This award is presented to an alumna or alumnus who has contributed in the area of service to humanity and social justice. The Alumni Board Awards Committee makes the selection of this recipient.

- **Mary Elizabeth Newell Award**

This award is presented to an alumna or alumnus who has demonstrated a high degree of loyalty, commitment and concern for Webster University over a span of many years. The Alumni Board Awards Committee makes the selection of this recipient.

- **Young Alumni Award**

This award recognizes an alum who promotes the values and elevates the profile of Webster University through leadership in his/her profession, contributions to society through public service, and ongoing support of the University. This person must be an alumna/us of Webster University who received his/her undergraduate degree within the last 10 years of being nominated and is 35 years of age or younger. The Alumni Board Awards Committee selects this recipient.
