Please refer to the *Accreditations and Licensures* section of this catalog for specialized accreditations that may apply to programs in the George Herbert Walker School of Business & Technology.

## Mission

To prepare students for career success in an increasingly globally integrated business and technological economy utilizing a student-centered, real-world approach.

## Vision

To be a leading institution of business and technology education by providing students with the academic and professional preparation needed to achieve upward career mobility.

## Values

**Respect** - A culture of respect facilitates highly positive interactions between and among students, staff, faculty and other stakeholders.

**Knowledge** - Knowledge allows us all, regardless of the role we serve, to maximize our capacity for achievement.

**Potential** - Every individual has the potential to succeed.

**Diversity and Inclusion** - Diversity in all its forms enriches the education experience--both in and out of the classroom.

**Global Perspectives** - Students with global perspectives will be better prepared to serve the organizations and communities in which they live and work.
