## Online Programs

Webster University offers students unparalleled opportunities to advance their career with a distinctive blend of classroom and online degree programs.

Students can pursue their degree entirely online, or mix classroom and online courses according to their preferences, interests, and work or family commitment.

Webster University's WorldClassRoom offers courses and programs that students can participate in any time of day or night, from anywhere they have a computer with Internet access, such as work, home, the library, or while traveling.

Online students will be taught under the same rigorous academic standards as our traditional classroom programs, yet, everything needed to earn a degree or just take a course is online and accessible 24 hours a day, 7 days a week during the regular academic term. Due to this dynamic environment, students can expect regular interaction and feedback on work submitted within 7 days.

WebNet+ is a new online video offering at Webster University, which is available for a limited selection of courses and programs. WebNet+, Webster's Networked course delivery method connects students and faculty in real time to learn, engage and collaborate. This allows Webster students from any location to enroll in one of the selected courses and participate virtually in discussions and activities. WebNet+ courses are synchronous, which means that students are expected to login and participate throughout the entire session through technology such as WebEx or Vidyo as well as WorldClassRoom. Programs indicated with a plus symbol (+) below are delivered via the WebNet+ method.

Online programs and courses are continually being developed to serve the needs of Webster students. A list of current online programs can be found at [www.webster.edu/online](http://www.webster.edu/online).

*\*\*Graduate programs marked with this symbol are considered Gainful Employment programs. The U.S. Department of Education defines Gainful Employment program criteria and data requirements. View Webster University's Gainful Employment Disclosures at <http://www.webster.edu/consumers/gainful-employment.html> to see important information about the education debt, earnings and completion rates of students who attended our programs.*
