

Advanced Research

Graduate Certificate 12 Credit Hours

This program is offered by the Walker School of Business & Technology. It is only available at the Geneva campus, and the courses are taught in French.

Program Description

The certificate in advanced research is a 12 credit hour program of study designed for those who hold leadership positions in healthcare; who have completed a master's degree, or who are completing a master degree in health care management; and who are interested in developing skills in advanced research. Students will develop a research proposal, gain IRB approval for that research proposal, conduct their research project and make a contribution to the field of healthcare management by developing a research article based on the research conducted.

Requirements

The 12 credit hours required for this certificate include the following courses:

- HLTH 5100 Statistics for Health Care Management in Healthcare (3 hours)
or HEAL 5000 Advanced Theories and Concepts in Health Care (3 hours)
- HRDV 5750 Research and Assessment Methods in Human Resources Development (3 hours)
- BUSN 6140 Business Research Analysis (3 hours)
- HEAL 6550 Advanced Research in Healthcare (3 hours)

Admission

- 2.5 grade point average
- Master's degree in health care field or current master's student status
- Leadership experience in health care
- Résumé describing scope, responsibilities and work experience
- Completed application with fees
- Official transcripts from all colleges and universities attended
