Leadership in Tiered Systems of Support: RTI and PBIS

20 Hours

This program is offered by the School of Education.

Program Description

This program is targeted to educators and other qualified professionals who are interested in pursuing careers as statewide, regional, or district-wide tiered systems (RTI and PBIS) developers and consultants. The focus is on building capacity of school districts, regional consortia, and state agencies to plan and implement tiered prevention systems to improve social behavior and learning outcomes for K-12 students. The grading system in the advanced graduate certificate program is the same as that described in the Grades section of this catalog. Students may receive the advanced graduate certificate by completing a minimum of 20 credit hours from the SPED courses listed below. Students may apply 12 credits from the Webster University Master of Arts in Special Education emphasis in PBIS program (or other Webster University MA degree programs with an emphasis in PBIS) towards this advanced graduate certificate in Leadership in Tiered Systems of Support: RTI & PBIS, not including SPED 6000.

This program is offered online.
