

Nursing (MSN)

This program is offered by the College of Arts & Sciences. It is available at the St. Louis home campus and at select St. Louis-area corporate partner sites.

Program Description

The master of science in nursing (MSN) program is designed for registered nurses with a BSN who wish to pursue advanced knowledge necessary for the professional roles of nurse educator or nurse leader.

The program requires the completion of 36 credit hours with an Educator or Leader track. Courses are scheduled in an eight-week format. The MSN is designed to be a year-round part-time program that students complete in 2.5 years.

The master's nursing program at Webster University located in Saint Louis, Missouri is accredited by the Accreditation Commission for Education in Nursing (ACEN)
3343 Peachtree Road, Suite 850
Atlanta, GA 30326

Requirements

The student in this graduate program is subject to the policies and procedures for graduate studies and the MSN program.

Continuous Enrollment

Students in the MSN program must maintain continuous and consecutive enrollment in this program at Webster University. Students who do not enroll for three or more consecutive eight-week terms will be withdrawn from the program. The student may request a waiver of this requirement.

Practicum Evaluation

In courses with a clinical/practicum/practice experience component, students must receive a grade of "Satisfactory" in the clinical/practicum/practice experience portion to pass the course. Unsatisfactory completion of the clinical/practicum/practice experience component of the course results in automatic failure of the course.

Admission

Students who are interested in applying to this degree program should see the Admission section of this catalog for general requirements.

Admission Requirements

Admission to the MSN program is based on intellectual capacity, academic record, professional performance, clarity of goals, initiative and other qualities appropriate to graduate study in nursing. These qualities are difficult to measure in absolute terms, and the decision to offer admission is based on appraisal of the total application record.

The specific requirements for admission to the MSN program are as follows:

- A bachelor of science in nursing (BSN) from an accredited program (NLNAC, ACEN, CCNE, or NLN CNEA).
- Current, unencumbered licensure as a registered nurse in the United States and eligible for licensure in Missouri.
- A minimum cumulative undergraduate GPA of 3.0 on a 4.0 scale.
- Completion of an undergraduate statistics course with a grade of C or better.
- A minimum of one year of nursing practice as an RN within the last three years.
- Completion of the online application.

Nursing (MSN)

- Official transcripts from all colleges, universities and schools of nursing.
- Three academic and/or professional recommendations using the MSN Recommendation Form (at least one recommendation must be from a supervisor, manager or administrator with whom the applicant has worked in the past 3 years).
- A curriculum vitae or résumé describing the scope, responsibilities and function of all work experience.
- A 300- to 500-word brief essay describing the educational and professional objectives for graduate study.
- An interview with a nursing faculty member upon request.
- Successful and satisfactory completion of a drug screen and criminal background check, plus submission of other required documents including, but not limited to, a health history; a complete vaccination/immunization profile (influenza, HepB, TDap/Td, MMR, and varicella); annual TB test/screen; evidence of American Heart Association CPR certification; a copy of current personal health insurance card; and signed student contract are required for full admission.

Special consideration may be given to applicants who excel in some criteria but do not meet all minimum requirements.

Advancement to Candidacy

Students are admitted to their graduate program upon completion of all admission requirements. Students are advanced to candidacy status after successfully completing 12 credit hours of graduate credit, with grades of B- or better. In the MBA program and other specialized programs, courses required as prerequisites to the program do not count toward the 12 credit hours required for advancement.
