Combined Degrees

Program Description
The combined degrees program enables the student with an outstanding academic record to complete both a bachelor's degree and a master's degree through an accelerated program. Upper-level undergraduate courses are integrated with initial graduate courses in the curriculum, which decreases the total requirements for both degrees by a maximum of 12 credit hours. Students who have accumulated between 64 and 98 credit hours and who have maintained a 3.3 GPA in previous college work are eligible to apply for admission to the program. The combined degrees program is offered at the St. Louis area locations and has limited availability at other campuses.

BA/MA, BS/MA, BA/MS, BS/MS and Other Degree Combinations
By completing a block of requisite courses for the declared graduate major, students may combine their liberal arts undergraduate major with a more career-oriented graduate program.

Most undergraduate majors leading to a bachelor of arts or bachelor of science degree can be combined with any of the following graduate programs as long as the requisite courses for the graduate program have been met:

- Advertising and Marketing Communications (MA)
- Gerontology
- Human Resources Development (MA)
- International Relations (MA)
- Management and Leadership (MA)
- Marketing (MS)
- Master of Business Administration (MBA)
- Media Communications (MA)
- Public Relations (MA)

Webster University also offers the following specialized combined degrees:

- Accounting/BS/Finance (MS)
- Accounting (BS)/Forensic Accounting (MS)
- Computer Science (BS) with an Emphasis in Cybersecurity/ Cybersecurity (MS)
- Education (BA) with an Emphasis in Elementary Education with a Content Specialization or Minor/Teaching English as a Second Language (MA)
- Education (BA) with an Emphasis in Secondary English/ Teaching English as a Second Language (MA)
- Education (BA) with an Emphasis in World Languages/ Teaching English as a Second Language (MA)

Learning outcomes for each combined degree follow the outcomes outlined for the corresponding graduate degree in the Graduate Studies Catalog. Graduate course descriptions are included in the Course Descriptions section of the current Graduate Studies Catalog. For undergraduate course descriptions, please refer to the appropriate Course Descriptions section of this catalog.

Requirements of Combined Degrees

General Requirements
Students in the undergraduate component of the combined degrees program are subject to the policies and procedures outlined in the current Undergraduate Studies Catalog, with the addition or exception of admission, academic performance, advancement to candidacy and continuous enrollment requirements detailed in this section.

Students in the graduate component of the combined degrees program are subject to the policies and procedures outlined in the current Graduate Studies Catalog, with the addition or exception of admission, academic performance, advancement to candidacy and continuous enrollment requirements detailed in this section.

Admission
Students must submit an application for the combined degrees program along with a signed letter of agreement to the Academic Advising Center. The letter of acceptance to the combined degrees program serves as the letter of acceptance required for the master's degree program.

Due to the accelerated nature of this program, no transfer credit will be accepted into the graduate component of the program. Transfer credit may be used only to meet the undergraduate requisite course requirements, and then only if taken before acceptance into the program.

Academic Performance
Students must maintain an A or B average to remain in the combined degrees program. Students must maintain a current GPA of at least 3.0.

Undergraduate student who receive two grades of C, one grade of D or one grade of F in the required combined degree transition courses will be dismissed from the combined degrees program. Graduate students who receive one grade of C or one grade of F will be dismissed from the combined degrees program.

Students dismissed from the combined degrees program are eligible to pursue a traditional graduate degree program at Webster University, subject to the policies stated in the current Graduate Studies Catalog.

Advancement to Candidacy
Degree seeking students are advanced to master's candidacy when they have completed 12 credit hours of graduate coursework with grades of B or above.

Continuous Enrollment
Students in the combined degrees program must maintain continuous and consecutive enrollment at Webster University. Students who miss more than two consecutive eight-week or nine-week terms will be withdrawn from the program. For exceptional reasons, students may request a waiver of this requirement from the appropriate dean.

Master of Business Administration (MBA)

Walker Joint MBA Program
For any undergraduate degree student at Webster University who is considering the master of business administration degree, the Walker Joint MBA enables completion of the MBA in a shorter amount of time.

Those students who have completed an ACBSP accredited undergraduate program at Webster within the past five years may waive six hours of MBA electives, reducing the number of required courses to 30 credit hours. The degree can then be completed in as little as one calendar year.

Students who have completed a non-ACBSP accredited undergraduate program at Webster within the past five years may also waive six hours of MBA electives. However, these students may be required to take up to nine graduate hours of program prerequisites. Those students wishing to reduce the number of prerequisites may consider taking the following courses as undergraduate electives:

- ACCT 2010 Financial Accounting
- ACCT 2025 Managerial Accounting
- ECON 2000 Survey of Economics

Alternatively, students may elect to take a waiver exam to attempt to bypass some prerequisite hours.

For further information, please contact Academic Advising, or the MBA program director.

Media Communications (MA)
Students majoring in an undergraduate discipline other than media communications must earn 18 credit hours in undergraduate media communications coursework in order to qualify for the graduate portion of the combined degree program in media communications. These courses will be selected in consultation with an undergraduate advisor.

- A departmental GPA of 3.0, based on all EDUC courses taken

General Information

1. Students pursuing teacher certification will be dropped from EDUC methods courses if all sections of the MoGEA Exam have not been successfully completed upon earning 64 college-level credit hours. Transfer students must complete the MoGEA during the first semester following transfer to Webster.

2. Students must maintain a grade point average (GPA) of at least 3.0 in the education major. A cumulative GPA of 2.75 in all college-level coursework for students pursuing initial teacher certification is required.

3. Students must demonstrate satisfactory competency in regard to the knowledge, skills, and dispositions identified in the School of Education Conceptual Framework.

4. Courses completed with a grade of D do not count toward fulfilling specific course requirements of the major.

NOTE: Policies and procedures governing the Education major and Teacher certification are available on the School of Education Website.

Teacher Certification

Because students enrolled in the Education major pursue initial teacher certification as part of their degree, a Program of Study (POS) is designed to meet the general education requirements of both the Missouri Department of Elementary and Secondary Education (DESE) and the degree requirements of Webster University.

Admission to Teacher Certification

Admission to teacher certification requires the following:

- Successful completion of all sections of the MoGEA Exam by 64 credit hours of college-level coursework (transfer
Combined Degrees

students must pass all sections of the MoGEA during the first semester following transfer to Webster University).

- Completion of the Missouri Educator Profile (MEP).
- Written Program of Study (POS) outlining the degree and program requirements developed by completion of 64 credit hours.
- Completion of a college composition course with a grade of B- or better.
- Completion of a college mathematics course (appropriate to the area of emphasis) with a grade of B- or better.
- A minimum cumulative GPA of 2.75 in college-level coursework from all post-secondary institutions attended.

Practicum/Apprentice Teaching

A 3000-level or higher practicum is required as a prerequisite to apprentice teaching. To enroll in a practicum, students must apply by September 15 for a Spring placement and by February 15 for a Fall placement. Candidates must meet with the Coordinator of Field Placement prior to applying for practicum.

Apprentice teaching is a requirement for all initial certifications. Students must apply by September 15 for a Spring placement and by February 15 for a Fall placement.

Note: The application for practicum and apprentice teaching will not be accepted if the student has not been formally accepted to teacher certification status.

Apprentice Teaching placements will be made in the St. Louis City, St. Louis County, St. Charles County and Jefferson County School Districts along with private and independent schools. All students enrolled in apprentice teaching must participate in a mandatory seminar. All undergraduate candidates for certification must complete either their practicum or apprentice teaching in a diverse setting.

Application for Certification

All students seeking initial certification must successfully complete the Missouri Preservice Teacher Assessment (MoPTA). All students seeking Teacher Certification must achieve the Missouri minimum score on the State Required Content Area Exam, which is administered at least six times a year. Information on this test may be obtained online at www.mo.nesinc.com or in the Office of Teacher Certification. Students must have a passing score on the appropriate State Required Content Area Exam prior to the start of the Apprentice Teaching orientation.
