Website Development

Minor

18 credit hours

This program is offered by the Walker School of Business & Technology/Math & Computer Science Department.

For information on general requirements for a minor, see Academic Policies and Procedures.

A minor in website development is defined as 18 credit hours of courses from the website development certificate program course listings taken at Webster University. This minor may be taken in lieu of the certificate program. Students may choose to receive either the minor or certificate but not both.

Web Site Development Certificate Courses
