Language Arts Seminar:

Practicum in ESOL Spring 2004--Term 2 3 credit hours

-----/-----

TBA--St. Louis, MO

SITE

1. Course Description:

This practicum provides supervised field experience for students who are finished or in the process of finishing their professional education courses for Missouri Certification in ESOL. Reflective thought, observation, discussion, and actual teaching will be used to expand participants' teaching skills. The first 2-4 hours are spent in careful observation of the workings and interactions of the ESL classroom. The remaining hours should be used working with the cooperating teacher and students. Classroom participation includes observation, interaction, record keeping, and analysis of specific strengths and needs of English Language Learners. Strategies and activities are designed to meet the instructional

needs of individual students. Participants will also focus on interpreting and recommending curriculum materials and methods to encourage and help English Language Learners become proficient in their new language.

Prerequisites: Core ESOL curriculum.

2. Learning Outcomes:

- * The teacher/graduate will demonstrate constructed knowledge of content, based on personal inquiry and scholarship.
- * The teacher/graduate will participate in a community of learners, including students, colleagues, and parents.

- * The teacher/graduate will model effective teaching practices based on sound theory and practice and resulting in an optimal learning environment.
- * The teacher/graduate will be innovative and experiment with curriculum as an on-going part of teaching, while operating within realistic parameters.
- * The teacher/graduate will embrace diversity in a multicultural setting, teaching to individual needs.
- * The teacher/graduate will reflect upon his/her own practice in order to become an agent of change, both in the classroom and in the community.

MOSTEP STANDARDS:

1. Knows the subject and makes learning meaningful for students.
2. Understands how students learn and develops appropriate learning opportunities.
3. Understands how students differ in their approaches to learning and creates instructional opportunities for diverse learners.
4. Develops, implements, and evaluates curriculum based upon student, district, and

Stated performance standards.

5. Uses a variety of instructional strategies to encourage students' development of critical thinking, problem solving, and performance skills.
6. Understands individual and group motivation and behavior to create a positive learning environment.
7. Models effective, verbal, nonverbal, and media communication techniques.

8. Understands and uses formal and informal assessment strategies to evaluate continuous development of the learner.

9. Is a reflective practitioner who continually assesses the effects of choices and actions on others.

10. Fosters relationships with school colleagues, parents, and educational partners in the larger community to support student learning and well being.

3. Schedule of required readings, class preparations and assignments, lectures,

discussions, student presentations, out-of-class assignments and exams.
