

**IN-SERVICE EDUCATION PROGRAMS
SPRING 2009**

The following courses will be offered through the In-Service Education Program at Webster University this spring. While these courses might be considered for State of Missouri or other tuition reimbursement programs, they are not designed for teacher licensure or certification. Students currently pursuing a degree at Webster University may transfer up to 6 hours of 5410 courses toward their MAT degree with approval of their advisors. 5210 courses are offered for graduate credit which is applicable to district salary increment schedules and professional development. Some 5210 courses may be applicable toward the MAT degree with prior approval of the advisor and the area of concentration coordinator.

TUITION: Tuition for 5410 courses is \$310.00 per credit hour. Tuition for 5210 courses is \$233.00 per credit hour unless otherwise noted. **FEES** where noted are in addition to tuition.

LOCATION: Most classes meet at the Webster University campus, 470 E. Lockwood. Specific class locations will be included in the course confirmations, which will be mailed at least one week prior to the beginning of class.

If you would like more information, please call the Office of In-Service Education at 314-968-7103.

COMM 5210 Therapeutic Communication: Working with Disengaged Youth

| | | | | | | | | | |
|--------------------------|--|-----------|-------------|----------------|--------------------|--------------------|---------------|----------|-----------|
| March 13 & 14 | | 01 | 1.00 | Lacey,D | 5:00-9:00 F | 8:30-4:30 S | WH 330 | 1 | NA |
|--------------------------|--|-----------|-------------|----------------|--------------------|--------------------|---------------|----------|-----------|

This course is designed for educators who work with at-risk youth who have become disengaged from classroom learning. There are some strategic steps to take for early intervention to re-engage the students. Educators will learn how to utilize the Therapeutic Communication Model that will decrease distractions in the classroom and make for greater learning opportunities for students. Educators will also acquire additional skills that will allow for early detection and intervention of behaviors that impede the learning process for the disengaged youth.
