Dear CMS Families,

Webster University just sent out a message indicating that the University, of which the Community Music School is a part, is moving to an online environment in order to improve the climate for public health amid concerns about the spread of the COVID-19 virus.

For CMS, we will proceed as follows:

- There will be no in-person group activities through April 5th including but not limited to: Suzuki Group classes, Kindermusik and Music for Little Mozarts classes, Orchestra, Jazz Ensemble and Prep rehearsals and classes, CME auditions, etc. We are exploring options for online alternatives and will reach out to you soon.

- Individual and Suzuki lessons will continue.

- This also means that all CMS recitals, concerts, master classes, and presentations are cancelled through April 5th.

The primary goal, of course, is to keep everyone safe and healthy! You will be receiving specific information from the CMS staff, your instructor or program coordinator for ways to deliver our educational services to you during this period of time. This is intended to be a general announcement. Please be patient as we work through our options.

For more information, please Webster University’s webpage: http://www.webster.edu/covid19/

Sincerely,

Carol Commerford, Director
Community Music School of Webster University
