How will I change the world? Who will help along the way?

Students come to us with questions to unravel:

Webster University Academics*
- College of Arts & Sciences
- George Herbert Walker School of Business & Technology
- Leigh Gerdine College of Fine Arts
- School of Communications
- School of Education
* Not all programs taught at all locations

4 Continents. 8 Countries. 60 Cities. 1 University.

Founded in 1915 with its home campus based in St. Louis, Missouri, Webster University is the only Tier 1, private, nonprofit university with campus locations around the world including metropolitan, military, online and corporate, as well as American-style traditional campuses in North America, Europe, Asia and Africa.

At Webster, they find answers

No student’s journey of discovery is the same. By offering quality, action-oriented academic programs around the world, Webster surrounds students with experiences as bold and diverse as their dreams. Our guiding principle is to give students access to the world and the means to change it.

Passionate faculty, devoted students

Webster’s distinguished faculty members provide students with the right mix of scholarship and professional experience to remain challenged and inspired. With a 1:9 faculty-to-student ratio and average class size of 10, students are the center of our institution and benefit from personalized learning opportunities.

Global citizens, prepared and transformed

Having opened our first international campus 35 years ago and graduated over 163,000 global citizens, Webster’s global identity is woven into its fabric. Our students are poised to meet the challenges of the 21st century and prepared to transform into their greatest selves.

Webster University is accredited by The Higher Learning Commission, is a member of the North Central Association, and has approvals and accreditations in China, Thailand, Austria, the Netherlands and Ghana.

“There was a day when access to a globally focused education was considered a luxury. Today, it’s a necessity for our graduates if they are to remain competitive in the global marketplace.”
Dr. Elizabeth (Beth) J. Stroble, President

Who will I become?

"There was a day when access to a globally focused education was considered a luxury. Today, it’s a necessity for our graduates if they are to remain competitive in the global marketplace.”

Dr. Elizabeth (Beth) J. Stroble, President
