

# WHY WEBSTER?

## A Leader in Graduate Education for Health Care Professionals

### *Webster makes practical and professional sense*

- Masters degrees geared to working professionals.
- Accelerated nine-week terms.
- Classes meet one night per week.
- No GMAT or GRE required for admission.
- Options for classroom-style online classes as electives.

## ***Master of Health Administration (MHA)***

- The administrative skills needed in today's complex health care industry are at the heart of this degree program. Graduates will be equipped to lead health organizations to greater effectiveness.
- Core courses include Health Policy Issues, Financial Management in Health, Planning and Change in Health Administration and Health Law.
- Faculty members are successful health care and business professionals who bring real-world experience to the classroom.
- Students enjoy a supportive learning environment focused on personal attention, a lively exchange of ideas and the chance to network with professionals in health care.

### *Reality-based education at its best*

- Nationally and regionally accredited by the Higher Learning Commission and a member of the North Central Association ([www.ncahlc.org](http://www.ncahlc.org)).
- Accredited by the Accreditation Council for Business Schools and Programs (ACBSP).
- Named one of "America's Best Colleges" by *U.S. News & World Report*

### *Meeting the needs of busy adult students*

- Both classroom and online degree programs.
- Online access to Webster's state-of-the-art library.
- Financial aid and tuition assistance
- More than 100 extended campuses, including the Rolla Metropolitan Campus.

## Start Today!

A graduate degree from Webster can advance your career, enhance your professional development or take you in a whole new career direction. The investment in an advanced degree can impact your future earnings. The U.S. Census Bureau reports that an employee with a Master's Degree earns an average of \$10,000.00 more per year than a colleague with a Bachelor's Degree.

## About Webster University

Founded in St. Louis in 1915, Webster University is a leader in higher education for working adults. Webster is accredited by the Accreditation Council for Business Schools and Programs (ACBSP) and is ranked by AACSB International, the Association to Advance Collegiate Schools of Business. The university has a network of more than 100 campuses throughout the United States, Europe and Asia, as well as online. The Rolla Campus was established in 1997.
