IMPORTANT :

- **ALL students MUST verify their enrollments monthly with the VA to receive payments.**
- **VA pays you, not your university.** It is your responsibility to pay your university on time even if you have not received your VA payment.

Enrollment certifications (based on class registration) are submitted to the VA during week 3 of each term. Students should contact the VA to verify enrollment on the first of the following month. (VA processing time may delay initial verification for a term. If VA doesn't have a record of your enrollment keep checking with them.)

Webster University requires payments to be processed no later than 3 weeks after the end of term. If paying via mail or at a site office, allow 10 days for processing.

Students must verify their enrollment monthly by Web Automated Verification of Enrollment (WAVE) or by Interactive Voice Response (IVR). The preferred method is WAVE, which includes features not in IVR. When students are awarded VA benefits, the award letter they receive describes WAVE and IVR.

The earliest students can verify their enrollment is the last calendar day of each month.

WAVE allows students to verify their enrollment on the Internet. WAVE is on the Education Service web site at www.gibill.va.gov/wave/default.cfm. The WAVE system permits students to perform a multitude of functions. For instance, students may:

- Verify that their enrollment has not changed
- Report a change in their enrollment
- Change their mailing address
- Initiate or change their direct deposit information
- View their enrollment period
- View their monthly rate
- Sign up for a monthly e-mail reminder

IVR allows students to "phone in" (**1- 877- 823 - 2378**) their monthly verification if there are no changes to enrollment during the previous month. If there were changes in the enrollment students must use the WAVE system or speak with a benefits counselor at 1-888-442-4551.
