President of Students in Free Enterprise, Luis Blanco was allocated \$250 for trip expenses for a March 9th through the 15th trip to Guatemala.

Book Proposal

A new committee for SGA has proposed the idea of a creation of a student book exchange program, where students meet on specific days to exchange textbooks for little or no cost. This committee will explore the high prices of textbooks at the Webster University Bookstore. Also an explanation for why the books at the Webster Bookstore are priced higher than other book sources will be discussed. The proposal is working out few details and will continue to get this proposal solved.

New Club Registration

The Comic Book Club has been granted and funded by SGA. The club is both an appreciation of comic books as well a hand on club.

Open Floor

- First Fridays on March 3 from 8pm to 11pm
- A treadmill has finally been fixed in the Fitness Center.
- A tree has been uprooted in the Quad, in preparation to lay down foundation for the new information kiosk.
