

# School Rings

---

There are three options for purchasing a school ring. Students may order online through Herff Jones or Jostens, or may order through Celebration Time. Each offers different styles and options. Students should compare products and costs before purchasing.

◆◆ To order a ring from **Celebration Time**, either place an order during a Pre-Commencement Event or call **1-772-299-0612**. Preview ring styles by going to [www.mycelebrationtime.com](http://www.mycelebrationtime.com) and selecting “Class Rings.” (Other images are available at [www.intergold.com](http://www.intergold.com) Scroll over “School Rings” and click on “Tour.”) Celebration Time will bring the full catalog with range of options for stone, cut, and side panels. Rings for men range from \$279 to \$569 and rings for women range from \$249 to \$499. These rings cannot be ordered online.
