

## Graduation DVD

---

A & R Video will produce a video record of the Space Coast Commencement.

Not only will the DVD include the entire ceremony, but the **name and degree of each graduate should appear on the screen** as that person walks across the stage. This is a great way to share Commencement with distant family members or colleagues or to have a keepsake of your special night.

The DVD will be packaged in a CD jewel box and will be mailed to you approximately three weeks after Commencement.

Order a DVD by **Wednesday, May 12, 2010**, at the Merritt Island or Patrick AFB campuses or at a Pre-Commencement Event to get the special rate of \$14. DVDs ordered after May 12 will cost \$16. Payment may only be made by cash or check and is due when the order is placed. Also, when you order a DVD, be able to provide the address it should be mailed to.

## Graduation Portraits

---

Webster University has arranged for two photographers to commemorate your graduation season.

WKS Photography will attend each Pre-Commencement Event to take formal portraits of graduates, alone or with their families. WKS Photography will provide cap and gown for graduates to wear during their portrait sittings. Men should wear a shirt and tie. Women should wear a dressy v-neck or scoop-neck blouse or dress.

These high quality photographs may be viewed on a computer screen immediately after the sitting. Photos may be produced as taken, or with light retouching or with heavy retouching. Individual photos are available starting at \$34.50 and packages are available starting at \$59.50.

Questions about the Pre-Commencement Event Photography may be directed to WKS Photography at 305-531-1872 or at [wernerkahnstudio@aol.com](mailto:wernerkahnstudio@aol.com). To see sample photos, go to [www.wernerkahn.com](http://www.wernerkahn.com) and click on "Portraits."

Auman Photography will attend Commencement and photograph graduates as they receive their diplomas on stage. Webster University provides one copy of this photo to each Commencement participant. All photos taken that evening will be posted online for several weeks after the ceremony. Students may purchase prints or the rights to a digital image. Photo prices start at \$4.95 and the digital image with a copyright release is \$19.
