

School Rings

There are three options for purchasing a school ring. Students may order online through Herff Jones or Jostens, or by phone through Celebration Time. Each offers different styles and options. Students should compare products and costs before purchasing.

- ◆◆ To order a ring from **Celebration Time**, either place an order during a Pre-Commencement Event or call **1-772-299-0612**. Preview ring styles by going to www.mycelebrationtime.com and selecting “Class Rings.” To see other choices, go to www.intergold.com. Click on “Design your ring” and be sure that School Ring is selected before clicking “ok.” Select the desired ring. Name your ring in the Design Name box, make your initial selections, and click “save.” For each design element, click “Modify” to make selections as you design your ring, save the element, and click “Next Step” to continue. You can print out your selections, save the design, or place an order. Celebration Time will bring the full catalog with range of options for stone, cut, and side panels. Rings for men range from \$339 to \$809, and rings for women range from \$319 to \$709.
