Q: How do I get my Connections username and password?

A: About 10 days after you register for classes the first time at Webster you will receive a letter in the mail with a temporary password. Take this password and go to <http://connections.webster.edu> and click on "My Connections Account Settings" then click on "Create New Account". From there, follow the instructions to setup your account.

A

Q: How do I register for classes?

A: Logon to Connections. Click on your Student tab, Locate the Academic Services channel and click on the link. Enter your Connections username and password again for security.

Q

Q: Do I still need my Registration & Services online password?

A: No. This password is no longer used. You access all Registration and Services online through Connections.

S

Q: I'm having problems with my Connections account or resetting my password, what do I do?

A: Call the Help Desk at 866-435-7270
