Applicants who have a completed baccalaureate degree from a U.S. accredited institution must satisfy program requirements or requisites, including a 2.5 (on a 4.0 scale) minimum cumulative Grade Point Average (GPA) at their baccalaureate degree granting institution for full admission. Students who completed their university education outside the U.S. must have earned an equivalent recognized baccalaureate degree as determined by Webster University. Students who have the necessary academic preparation for admission to accredited/recognized master's-level university programs in their native system of education, providing their academic preparation was at least three years in length, will be considered for admission using Webster University admission criteria. Consideration includes a minimum, cumulative GPA as calculated by Webster University.

Any transcripts not issued in English will require a certified English translation in addition to the official original language document. The admission decision will be made only after all required documents are on file with the appropriate office at the University.

Additional Application Requirements by Program

California Applicants

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. Webster University does not serve this category of student.

Application for International Students

Webster University welcomes applications for admission from students from all countries. General information about degree seeking study at Webster University's international campuses may be found on the website by clicking on the Worldwide Campuses tab and scrolling to the International Campuses.

Application Requirements

- A completed online application for graduate admissions. Non-U.S. citizens, U.S. citizens applying from outside the U.S. and any student applying to a campus outside the United States should complete the international application online at www.webster.edu/apply.
- A non-refundable application fee of $50 is required.
- Official transcripts from the educational institution from which the student earned their first bachelors-level degree. For U.S. institutions, this means accreditation from a regional accrediting body. Non-U.S. institutions must be recognized by the Ministry of Education as a university-level provider of higher education and accredited by any appropriate agencies within the home country and any countries in which it operates and/or issues degrees. This transcript and/or diploma must show the degree received and the date conferred. Applicants previously enrolled in graduate-level coursework must submit official transcripts of that work. All official transcripts and documents in a language other than English must be accompanied by a certified English translation.
- Proof of English language proficiency. See English Language Proficiency section below for approved methods.
- A curriculum vitae (résumé) that documents prior employment and experience or an essay on a topic of the student's choice, such as a special interest, significant experience or notable achievement. Minimum 300 word count in length.
Admission

• One letter of recommendation from a professor and/or an employer.

International students recruited to the U.S. will be required to pay a Tuition Deposit equivalent to a one-semester tuition charge, and only applies to tuition fees. This Tuition Deposit is non-refundable upon enrollment and forfeited if the student decides to transfer out of the University. Any forfeited Tuition Deposit will be applied to tuition fees if the student rejoins the University within twelve (12) months from the date of their last class attendance.

Note: Graduate applicants who apply and are provisionally accepted either by submitting unofficial transcripts or before completing their undergraduate degree must submit a final transcript indicating the degree received and the date conferred. If transcripts do not indicate degree or conferral date a copy of diploma is required. This official transcript must be on file within eight weeks from the beginning of the student’s starting term for full acceptance to the University.

There are two paths for submitting official transcripts for international students:

1. Request the university sends Webster University an official transcript directly in a sealed envelope.
2. If the student has attended a school or country that does not issue transcripts to other schools, and instead issues only one original certificate or mark sheet directly to the student, then the student can bring in their original, final transcript and diploma to a Webster staff member, for the staff member to verify and take certified true copies. These copies will become the official transcripts and the originals will be returned to the student.

Additional Application Requirements

• Additional official documentation may be required depending upon an applicant's program of interest or previous educational background. See program page for details.
• International applicants who will require a student visa must submit a photocopy of the biographical page from their passport.
• Applying for a visa: Students requiring a visa to study in the country in which their campus is located will be required to provide additional documentation for the visa process. Visa documentation requirements can vary at international campus locations depending upon the applicant's citizenship status and/or country of origin at the time of acceptance to the University. Applicants should check with the campus they plan to attend for specifics. Students are responsible for applying and obtaining their visa. The University will provide support and guidance during the process and will notify applicants if additional documentation is required to complete the application file. Upon receipt, the University can vouch for student status and any associated charges.

Important: Applicants from abroad should complete and submit all necessary documents at least four to six months before the desired entry term to allow sufficient time for accepted applicants to apply for a student visa. In addition, applicants should retain photocopies of all documents submitted to the University as these may need to be presented at the consulate/embassy when applying for the student visa.

English Language Proficiency

• Documentation of successful completion of the ELS Language Center’s English for Academic Purposes - or ELS Language Center Level 112.
• Documentation of successful completion of the University of Central Florida’s Center for Multilingual Multicultural Studies (CMMS) Intensive English Program.

ESL Contingent Admission

Some students are academically acceptable to the University but have additional English language proficiency needs that the University believes can be met by taking English as a Second Language (ESL) courses through Webster University or another educational institution with whom the University has an articulation agreement. These students will be accepted on a conditional basis that acknowledges their need to document further work in English. Students admitted on a conditional basis must meet the University's English language proficiency requirements listed above before they can be advanced to candidacy in the graduate program.

English Language Placement Testing

Students admitted on conditional admission must sit for the University's on-campus English language testing prior to registration. The results of this evaluation will enable the academic advisor to place the student in appropriate coursework. Options include intermediate and/or advanced English as a Second Language (ESL) courses only; ESL courses in combination with academic courses; or academic courses only. Webster University will refer for testing any student about whose English language proficiency an academic department, an individual faculty member, or an academic advisor has concerns.

For any other questions regarding English proficiency requirements, please contact the Office of Admission at the campus in which you are applying. Additional information on Webster's ESL program can be found at www.webster.edu/esl.

Application by Non-Degree Seeking Students

Students who do not plan to complete a degree or program from Webster University may request approval to take graduate courses at the University as a non-degree student. Non-degree candidates seeking access to graduate-level coursework must satisfy the minimum criteria for graduate study (a completed baccalaureate degree) as well as satisfy all course or program prerequisites.

A student who wants to register for a course as a non-degree student must complete a non-degree application. A non-refundable, graduate application fee of $50 is required. Not all programs offer non-degree status. Non-degree seeking students are prohibited by federal regulations from receiving federal financial aid. Tuition for non-degree courses must be paid at the time of registration. Approved non-degree seeking applicants can register for classes 30 days before the start of the requested term. International students who want to apply as non-degree will also need the appropriate English proficiency criteria listed above.

A student may enroll as a non-degree student for up to 6 credit hours. To continue as a non-degree student after the initial 6 credit hours, the student must submit a graduate degree-seeking application and an official undergraduate transcript showing baccalaureate degree conferral to the Office of Admission. Non-degree students should meet with an academic advisor before registering for courses since they are subject to the same prerequisite course requirements that apply to degree-seeking students. Non-degree students interested in pursuing MA in Counseling coursework should consult with the individual department admission requirements that can be found in this catalog under the Counseling program.

Admission Appeal Process

Students who have been denied admission to the University may appeal their decision through the Webster University Admissions Appeal Committee, which is comprised of University staff and faculty. Students seeking a successful appeal must submit the following information to be considered:

• A statement (no longer than 2 pages, double-spaced) detailing the reasons why the Appeal Committee should consider altering the initial admission decision. Students should discuss why they believe they will succeed at Webster and should convey any important information related to academic potential not indicated on the transcript(s) submitted for admission.
• Updated transcript(s) detailing any college-level coursework completed since the initial admission decision was rendered, if available. Students likely to be granted an appeal will be able to document a measurable change in academic preparedness since the original denial.
• Other documentation may be required upon request.

Admissions appeals should be sent electronically to the Office of Admission at admit@webster.edu and addressed to the attention of the chair of the Admissions Appeal Committee.
