

Nonprofit Management

Graduate Certificate 12 Credit Hours

This program is offered by the Walker School of Business & Technology, and is only available at the St. Louis home campus.

Program Description

The certificate in nonprofit management delivers a series of business-focused nonprofit management courses for graduate students with business or non-business majors. Courses will promote a holistic view of the management thinking process that makes up the foundations of nonprofit management. Students will develop real-world nonprofit management skills, focused on both the mission and becoming a self-sustaining nonprofit organization. Students completing the program will be awarded a certificate in nonprofit management from the Walker School of Business & Technology. The program is comprised of four 3-credit hour courses. A common thread running through all courses provides each student with the opportunity to focus all course projects on the individual nonprofit organization of their choice.
