

Entrepreneurship Certificate

Certificate

18 Credit Hours

This program is offered by the George Herbert Walker School of Business and Technology/Management Department. It is available at the St. Louis main campus and at the Leiden campus.

For information on the general requirements for a certificate, see Certificate under the Academic Policies and Information section of this catalog.

The certificate in entrepreneurship delivers a series of entrepreneurship courses for undergraduate students in business or non-business majors. Courses promote entrepreneurial awareness and thinking among students and develop the necessary real-world skills and abilities to become self-employed or start and grow an entrepreneurial venture.

Students demonstrate these skills by developing and presenting a viable business plan to a review panel made up of successful entrepreneurs in the capstone course. Students completing the program will be awarded a certificate in entrepreneurship from the George Herbert Walker School of Business & Technology.

The program is comprised of 18-credit hours. Students select individual certificate tracks specifically designed for their field of study or passion. A common thread running through all courses provide each student with the opportunity to focus all course projects on their individual business concept.

Learning Objectives

Upon successful completion of the Certificate in Entrepreneurship courses students will be able to:

- Demonstrate an understanding of the entrepreneurship process.
- Identify and apply entrepreneurship concepts and principles used in developing entrepreneurship action plans.
- Integrate entrepreneurship concepts, research and tactics to effectuate entrepreneurship.

Requirements

Students must take a total of 12 credit hours of required core courses and 6 credit hours from a major-related list of "track" courses as follows:

Entrepreneurship Core and Capstone
