

Undergraduate Catalog Addendum/Errata

Below are listed additions and corrections to the 2016-17 Undergraduate Studies Catalog since its publication on 01 June 2016. All corrections listed below have been made in the main online catalog sections to which they apply and will appear in the print version of those individual pages. They do not appear, however, in the PDF version of the full catalog.

This page was last updated 02 November 2016.

Academic Policies: General Education/Global Citizenship Program

Text should read:

Webster University maintains policies and guidelines that promote and facilitate student transfer to the University, including transfer coursework applicable to general education requirements. Students who have completed an approved associate of arts degree will have satisfied Webster University's general education section and First Year Seminar requirement of the Global Citizenship Program. Students who have completed an approved general education program in Missouri (the 'CBHE Model general education program'), or the equivalent in other states where Webster University holds articulation agreements (IGETC in California), will have satisfied Webster University's general education section and First Year Seminar requirement of the Global Citizenship Program. Please note that students will be required to complete Global Keystone Seminar at Webster University, as this course is an upper-division degree requirement. Completion of the general education program must be verified or documented on the sending institution's official transcript. Students transferring to Webster University without completion of an associate of arts degree will have their previous college-level coursework evaluated on a course-by-course basis for equivalency with Webster University's general education requirement. Students already holding a baccalaureate degree and seeking a sequential degree are not required to complete the University's Global Citizenship Program requirement.

01 November 2016
