

ASSOCIATE IN SCIENCE IN BUSINESS ADMINISTRATION AT CYPRESS TO BA MANAGEMENT AT WEBSTER

2019-2020

USING THIS GUIDE:

This guide outlines a path for degree completion at Webster University for the *Bachelor of Arts in Management* for students entering with an *Associate in Science in Business Administration for Transfer degree* from Cypress Community College. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

The primary objective in creating this transfer program is to provide the opportunity for prospective students to combine CCC's excellent foundational Business Administration for Transfer degree program with a high quality liberal arts and management – specific program available from Webster University. Potential graduates of this program will be provided a well-balanced, in-depth management education, capitalizing on the best aspects of teaching and learning performed by each institution.

ABOUT THE DEPARTMENT OF MANAGEMENT:

Management is the art and science of effectively coordinating people and resources to achieve the goals of an organization. It includes the administration of commerce and industry, banking, insurance, health, communications, government, and various facets of culture, education, and the arts. Students study principles and institutions through accounting, management, and economics, as well as the humanities, mathematics, and political and social sciences. The Department of Management prepares students for graduate studies, law school, and business careers. The Department of Management at Webster University has been designed to meet the needs of younger students as well as mature adults who have had business and professional experiences before completing their academic careers.

WEBSTER ADMISSION REQUIREMENTS:

Applicants to Webster's degree completion programs should have successfully completed an associate degree or at least two years of college-level work (60 semester hours) with a cumulative grade point average (GPA) of 2.5 on a 4.0 scale. Transfer coursework should include at least one college-level writing/composition class and one college-level mathematics course. While the above profile is recommended, each applicant will be given a thorough individual review. When considering an application, Webster looks for evidence of potential for academic success.

Each transfer applicant must submit:

- A completed [Application for Admission](#)
- \$35.00 non-refundable application fee
 - This fee is waived for students using the fee waiver code - CCC
- An official transcript from Cypress Community College, and an official transcript from all other postsecondary institutions previously attended mailed to:

Webster University
Office of Admission
470 East Lockwood Avenue
St. Louis, MO 63119

WEBSTER DEGREE REQUIREMENTS:

A minimum of **128** credit hours consisting of the following:

- Applicable University Global Citizenship Program hours
- Required credit hours for the Major
- Electives

IMPORTANT TRANSFER NOTES:

- Webster has a minimum residency requirement that 30 of the student’s last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- **A minimum of 18 credit hours of academic work must be taken in the Department of Business or Department of Management at Webster University.**
- No more than one course completed with a grade of D may count toward fulfilling the specific requirements of the major. All General Education/GCP courses must be completed with a C or higher.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped at 98 credit hours.
- All transfer coursework must be college-level (100-level or above) with a passing grade. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Courses completed with a grade of D have severe transfer restrictions. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM:

Webster University requires all baccalaureate students to complete a general education program. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

Students who complete an associate’s degree from the state of California before transferring to Webster University will have satisfied the general education requirements and FRSH 1200 First Year Seminar requirement of the GCP. All students are required to take the Global Keystone Seminar at Webster.

29-32 CR. – REMAINING ELECTIVES

128 TOTAL HOURS

ELECTIVES:

Elective hours can consist of any college-level courses that are not already being applied to the major or global citizenship program requirements of the degree, taken to reach the required 128 hours for graduation. Many students may choose to obtain a minor out of the required elective hours. Please keep in mind that any course applied to a minor must be taken at Webster University, with a grade of C- or better. For students seeking to complete a minor at an extended campus, course offerings may be limited. Please meet with your academic advisor to discuss options.

Webster University reserves the right to correct errors in these listings or to make revisions in degree requirements or course equivalencies without prior notice.
