USING THIS GUIDE:

This transfer guide outlines a path for completing the *Bachelor of Arts in Management* at Webster University for students entering with an *Associate in Science degree* from Southwestern Illinois College. ABOUT THE MANAGEMENT MAJOR AT WEBSTER:

The management program examines the relationship between an organization, its leaders and employees. This program is designed to help students develop the competencies as both a business professional and scholar practitioner with the capabilities to drive growth and innovation. In this program, students will acquire skills necessary to effectively manage people, analyze management problems, develop sound business practice and communicate effectively.

WEBSTER ADMISSION REQUIREMENTS:

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on all college level coursework of at least 2.5 on a 4.0 scale is preferred; however, each applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a member of the admissions staff. The University operates on rolling admission, and application files are reviewed by an admissions counselor as soon as all requested credentials have been received.

Each transfer applicant must submit:

- A [Completed Application for Admission](#)
- A \$35.00 nonrefundable application fee
- An official transcript from Southwestern Illinois College, and an official transcript from any and all other postsecondary institutions previously attended.

All **official transcripts** should be sent to:
