***GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM:**

Webster University requires all baccalaureate students to complete a general education program. The University is implementing a new set of general education requirements. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

- Effective academic year 2014-2015, new transfer students with fewer than 75 transferrable college credit hours seeking a BA or BS degree will follow requirements of the Global Citizenship Program (GCP). *See GCP Transfer Guide developed for East Central College.*
- New transfer students with more than 75 transferrable college credit hours, or those seeking a BFA, BM, BMEd, or BSN degree will remain under the previous General Education Program. *See General Education Transfer Guide developed for East Central College.*
- Effective academic year 2015-2016 and beyond, all new students will follow requirements of the GCP.

Students who complete an Associate of Arts (A.A.) degree or the CBHE-approved block of general education before transferring to Webster University will have satisfied the general education requirements and FRSH 1200 First Year Seminar requirement of the GCP. All students are required to take the Global Keystone Seminar at Webster.

IMPORTANT TRANSFER NOTES:

- Webster has a minimum residency requirement that 30 of the student’s last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- A minimum of 21 credit hours within the major must be completed at Webster University.
- Each emphasis requires a specific set of courses be taken for that emphasis. Within the 24 credit hours required in any one emphasis, 12 must be taken at Webster.
- Each student must complete at least 12 credit hours of courses for the major at the 3000 or 4000 level.
- Students must earn a grade of C- or better in any course they wish to apply toward the major or general education/GCP.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped at 98 credit hours.
- All transfer coursework must be college-level (100-level or above) with a passing grade. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Courses completed with a grade of D have severe transfer restrictions. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

MISSOURI REVERSE TRANSFER:

Webster University will be participating in the [Missouri Reverse Transfer](#) statewide initiative to help more Missourians earn associate degrees. Webster will be partnering with each community college in the state to help students apply Webster University credit back to the community college to earn the associate degree, if they transferred prior to earning the degree. The program launches in fall 2014. Please speak with your transfer admissions counselor or academic advisor for more information.
