

**USING THIS GUIDE:**

This guide has been published to assist students in preparing for transfer from East Central College to Webster University for a degree in Interactive Digital Media. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

ABOUT INTERACTIVE DIGITAL MEDIA:

The latest applications and digital technology are the focus of an Interactive Digital Media degree at Webster University. Students learn interactive concepts, aesthetic considerations and diverse skills that cover selected computer programs, audio production, and video production and post-production.

Interactive Digital Media majors take rigorous courses that teach them to integrate different media into coherent programs that effectively communicate a message -- whether to tell a story, report a news event or experiment with new media.

DEGREE REQUIREMENTS:

Major Required Courses	63 credits
General Education/Global Citizenship Program*	30-36 credits
Electives	<u>29-35 credits</u>
Total	128 credits

***GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM:**

Webster University requires all baccalaureate students to complete a general education program. The University is implementing a new set of general education requirements. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

- Effective academic year 2014-2015, new transfer students with fewer than 75 transferrable college credit hours seeking a BA or BS degree will follow requirements of the Global Citizenship Program (GCP). *See GCP Transfer Guide developed for East Central College.*
- New transfer students with more than 75 transferrable college credit hours, or those seeking a BFA, BM, BMed, or BSN degree will remain under the previous General Education Program. *See General Education Transfer Guide developed for East Central College for School of Communications programs.*
- Effective academic year 2015-2016 and beyond, all new students will follow requirements of the GCP.

Students who complete an Associate of Arts (A.A.) degree or the CBHE-approved block of general education before transferring to Webster University will have satisfied the general education requirements and FRSH 1200 First Year Seminar requirement of the GCP. All students are required to take the Global Keystone Seminar at Webster.

IMPORTANT TRANSFER NOTES:

- Webster has a minimum residency requirement that 30 of the student’s last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- Transfer students should not expect to obtain a degree in the Department of Electronic and Photographic Media in less than four full semesters of sequenced courses.
- Students must earn a grade of C- or better in any course they wish to apply toward their major or general education/GCP.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped at 98 credit hours.
- All transfer coursework must be college-level (100-level or above) with a passing grade. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Courses completed with a grade of D have severe transfer restrictions. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

REQUIRED COURSES:

Webster University Course	East Central College Course Equivalent
AUDI 1000 Audio Production I (3)	<i>No Equivalent</i>
DESN 1210 Design Concepts (3)	AR 1023 Design I- Two Dimensional Design <i>Students interested in continued study in the College of Fine Arts at Webster may be required to do a Portfolio Review to determine transfer course equivalencies in art and design. Speak to a College of Fine Arts representative for further information.</i>
EPMD 1000 Introduction to Media Production (3)	<i>This course will be waived if a transfer student has taken two media production courses in different areas (i.e. photography and video). One of the courses will be substituted for EPMD 1000 in the Webster degree audit. Media production areas are: audio (radio), film production, interactive digital, animation, photography, and video (television).</i>
MEDC 1010 Introduction to Mass Communications (3)	CT 1033 Intro to Mass Media Communication
MEDC 2200 Ethics in the Media (3)	<i>No Equivalent</i>

VIDE 4100 Field Production (3)	<i>No Equivalent</i>

ELECTIVES:

Elective hours can consist of any college-level courses that are not already being applied to the major or general education requirements of the degree. Many students may choose to obtain a minor out of the required elective hours. Please keep in mind that any course applied to a minor must be taken at Webster University, with a grade of C- or better.

Webster University reserves the right to correct errors in these listings or to make revisions in degree requirements or course equivalencies without prior notice.
