

**USING THIS GUIDE:**

This guide has been published to assist students in preparing for transfer from East Central Community College to complete the Bachelor of Science in Nursing (BSN) degree. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

**GENERAL PROGRAM INFORMATION:**

- Courses offered in 8-week sessions
- Designed for working RNs: part-time students can typically complete the nursing curriculum in 2 to 2 ½ years depending on if courses are taken in the summer. Frequently, students must take additional Global Citizenship Program and/or elective courses to fulfill degree requirements. Nursing faculty advisors discuss additional requirements during the admissions interview.
- Small faculty to student ratio to ensure close and individualized academic advising.

**ADMISSION REQUIREMENTS:**

- Provide proof of current unencumbered U.S. registered nurse license or be eligible for licensure as an RN and have a scheduled NCLEX exam within three months of beginning the program. Progression through the program is contingent on maintenance of an unencumbered nursing licensure.
- Provide transcripts from nursing schools and all colleges from which academic credit has been granted.
- Demonstrate a cumulative GPA of 2.5 on 4.0 scale in previous scholastic work.
- Completion of a Webster University [application for admission](#)
- Submit a résumé.
- Complete an advising interview with a faculty member.
- Successfully and satisfactorily complete a drug screen and criminal background check, plus submit other required documents including, but not limited to, a health history; a vaccination/immunization profile (influenza, HepB, TDap/Td, MMR, and varicella); annual TB test/screen; evidence of American Heart Association CPR certification; a copy of current personal health insurance card; and a signed student contract.

**GENERAL TRANSFER POLICY INFORMATION:**

- Webster has a minimum residency requirement that 30 credits must be taken at Webster University. All students must have a minimum of 120 credit hours to graduate.
- Students must earn a grade of C- or better in any course they wish to apply toward general education/GCP or the major.
- Webster University may accept up to 90 lower-division credit hours, including lower-division credit hours earned beyond the first associate's degree and for credit by examination, for registered nurse (RN) students seeking a bachelor of science in nursing. This may include credit hours advanced by the community college for licensed practical nurse (LPN) advanced placement. Please refer to the nursing department for more information.

**2+2 ARTICULATION FOR AAS DEGREE TO BSN:****ASSOCIATE OF APPLIED SCIENCE IN NURSING (YEARS 1 & 2 AT EAST CENTRAL COLLEGE):**

Students must complete all requirements of the Associate of Applied Science in Nursing at ECC and meet Webster's admission requirements as outlined above. For students looking to complete their prerequisites while at ECC, please see the chart below.

**PREREQUISITE COURSES:**

All applicants must successfully establish college credit in the following prerequisite courses. It is recommended that these be taken as part of the associate degree at East Central Community College if possible. **Please seek assistance from your ECC advisor or Webster transfer counselor for guidance on how best to meet these requirements.** If not taken prior to matriculation at Webster, each student will work with their nursing program advisor to schedule these accordingly.

Prerequisite Course & Required Credit Hours	East Central College Course Equivalent
English (3) <i>Satisfied within AAS @ ECC if student takes ENG 101 or ENG 114</i>	ENG 101 English Comp I <u>or</u> ENG 114 Honors English Comp I (3)
