USING THIS GUIDE:

This guide has been published to assist students in preparing for transfer from Metropolitan Community College to complete the Bachelor of Science in Nursing (BSN) degree. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

GENERAL PROGRAM INFORMATION:

- Courses offered in 8-week sessions online
- Designed for working RNs: part-time students can typically complete the program in 2 to 2 ½ years
- Small faculty to student ratio to ensure close and individualized academic advising

ADMISSION REQUIREMENTS:

- Provide proof of current unencumbered U.S. registered nurse license or be eligible for licensure as an RN and have a scheduled NCLEX exam within three months of beginning the program. Progression through the program is contingent on maintenance of an unencumbered nursing licensure.
- Provide transcripts from nursing schools and all colleges from which academic credit has been granted.
- Demonstrate a cumulative GPA of 2.5 on 4.0 scale in previous scholastic work.
- Complete the Webster University [undergraduate application](#) and submit the \$35 application fee.
- Submit a résumé.
- Complete an advising interview with a faculty member.
- Successfully and satisfactorily complete a drug screen and criminal background check, plus submit other required documents including, but not limited to, a health history; a vaccination/immunization profile (influenza, HepB, Tdap/Td, MMR, and varicella); annual TB test/screen; evidence of American Heart Association CPR certification; a copy of current personal health insurance card; and a signed student contract.

GENERAL TRANSFER POLICY INFORMATION:

- Webster has a minimum residency requirement that 30 of the student's last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- Students must earn a grade of C- or better in any course they wish to apply toward general education/GCP or the major
- Webster University may accept up to 98 lower-division credit hours, including lower-division credit hours earned beyond the first associate's degree and for credit by examination, for registered nurse (RN) students seeking a bachelor of science in nursing. This may include credit hours advanced by the community college for licensed practical nurse (LPN) advanced placement. Please refer to the nursing department for more information.
