

**USING THIS GUIDE:**

This guide outlines a path for degree completion at Webster University for the *Bachelor of Arts in Management* for students entering with an *Associate of Applied Science degree in Business Administration: Management Concentration* from St. Louis Community College. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

The primary objective in creating this transfer program is to provide the opportunity for prospective students to combine STLCC's excellent foundational Business Administration: Management Concentration program with a high quality liberal arts and management- specific program available from Webster University in St. Louis, Missouri. Potential graduates of this program will be provided a well-balanced, in-depth management education, capitalizing on the best aspects of teaching and learning performed by each institution.

ABOUT THE MANAGEMENT MAJOR AT WEBSTER:

Management is the art and science of effectively coordinating people and resources to achieve the goals of an organization. It includes the administration of commerce and industry, banking, insurance, health, communications, government, and various facets of culture, education, and the arts. Students study principles and institutions through accounting, management, and economics, as well as the humanities, mathematics, and political and social sciences. The Department of Management prepares students for graduate studies, law school, and business careers. The Department of Management at Webster University has been designed to meet the needs of younger students as well as mature adults who have had business and professional experiences before completing their academic careers.

The BA in Management is available on-ground (Webster Groves home campus, Gateway campus, Westport campus, Winghaven campus) and online.

WEBSTER ADMISSION REQUIREMENTS:

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on all college level coursework of at least 2.5 on a 4.0 scale is preferred; however, each applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a member of the admissions staff. The University operates on rolling admission, and application files are reviewed by an admissions counselor as soon as all requested credentials have been received.

Each transfer applicant must submit:

- A [Completed Application for Admission](#)
- A \$35.00 nonrefundable application fee
- An official transcript from St. Louis Community College, and an official transcript from any and all other postsecondary institutions previously attended.

All **official transcripts** should be sent to:

Webster University Office of Admission

470 East Lockwood Avenue

St. Louis, MO 63119

IMPORTANT TRANSFER NOTES:

- Webster has a minimum residency requirement that 30 of the student's last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.

- A minimum of 18 credit hours of the required 39 credit hours of major academic work must be taken at Webster University in the George Herbert Walker School of Business & Technology.
- Courses completed with a grade below a C- do not count toward fulfilling the specific course requirements of the major or general education/Global Citizenship Program.
- No more than one course completed with a grade of D may count toward fulfilling the specific requirements of the major.
- Students who complete an Associate of Arts (A.A.) degree before transferring to Webster University will have completed all of their general education requirements. Please refer to Webster University's General Education transfer guide for more details. All transfer credit is capped at 98 credit hours.
- All transfer coursework must be college-level (1000-level or above) with a passing grade. A grade of D or higher is considered passing, but a D will have severe transfer restrictions. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

WEBSTER DEGREE REQUIREMENTS:

A minimum of **128** credit hours consisting of the following:

- Applicable University Global Citizenship Program hours
- 39 required credit hours for the major
- Electives

GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM:

Webster University requires all baccalaureate students to complete a general education program. The University has implemented a new set of general education requirements. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

Students completing the Associate of Applied Science degree will have previous credits reviewed on a course-by-course basis for applicability to the GCP. *See GCP Transfer Guide developed for St. Louis Community College.*

ELECTIVES:

Elective hours can consist of any college-level courses that are not already being applied to the major or general education requirements of the degree. Many students may choose to obtain a minor out of the required elective hours. Please note that all coursework applied to a minor must be completed at Webster University, with a grade of C- or better.
