

**USING THIS GUIDE:**

This guide has been published to assist students in preparing for transfer to Webster University from St. Louis Community College in the areas of Accounting, Business Administration, Economics, and Finance. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

WEBSTER ADMISSION REQUIREMENTS:

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on all college level coursework of at least 2.5 on a 4.0 scale is preferred; however, each applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a member of the admissions staff. The University operates on rolling admission, and application files are reviewed by an admissions counselor as soon as all requested credentials have been received.

Each transfer applicant must submit:

- A completed [Application for Admission](#)
- \$35.00 non-refundable application fee
- An official transcript from St. Louis Community College, and an official transcript from all other postsecondary institutions previously attended mailed to:

Webster University
Office of Admission
470 East Lockwood Avenue
St. Louis, MO 63119

WEBSTER DEGREE REQUIREMENTS:

A minimum of **128** credit hours consisting of the following:

- Applicable University Global Citizenship Program hours
- Required credit hours for the Major
- Electives

IMPORTANT TRANSFER NOTES:

- Webster has a minimum residency requirement that 30 of the student's last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.

- A minimum of 18 credit hours of academic work must be taken in the Department of Business or Department of Management at Webster University. The accounting degree requires 18 credit hours of accounting courses taken at Webster University.
- No more than one course completed with a grade of D may count toward fulfilling the specific requirements of the major. All General Education/GCP courses must be completed with a C-or higher.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped at 98 credit hours.
- All transfer coursework must be college-level (100-level or above) with a passing grade. Pass/Fail courses will count for transfer credit if the student received a Pass. For repeated courses only the second grade will be counted. Incomplete grades are not accepted in transfer. Courses completed with a grade of D have severe transfer restrictions. Formal evaluation of transfer credit is conducted by the Office of the Registrar upon admission to the University.

MISSOURI REVERSE TRANSFER:

Webster University is participating in the [Missouri Reverse Transfer](#) statewide initiative to help more Missourians earn associate degrees. Webster has partnered with each community college in the state to help students apply Webster University credit back to the community college to earn the associate degree, if they transferred prior to earning the degree. Please speak with your transfer admissions counselor or academic advisor for more information.

GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM:

Webster University requires all baccalaureate students to complete a general education program. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

Students who complete an Associate of Arts (AA) degree or the CBHE-approved block of general education before transferring to Webster University will have satisfied the general education requirements and FRSH 1200 First Year Seminar requirement of the GCP. All students are required to take the Global Keystone Seminar at Webster.

Students completing other associate degrees will have previous credits reviewed on a course-by-course basis for applicability to the GCP. *See GCP Transfer Guide developed for St. Louis Community College.*

COURSE EQUIVALENCIES FOR REQUIRED CORE COURSES:

- Business Administration and Finance majors are required to complete the business core curriculum requirements as listed below.
- Accounting majors are required to complete a condensed version of the business core. Those courses are marked with an asterisk*.
- Economics majors do not follow the business core. Please refer to the University catalog for specific requirements of the [economics major](#).
 - ^Economics majors will have ECO 151 Principles of Macroeconomics and ECO 152 Principles of Microeconomics transfer in as direct equivalents to ECON 2030 Principles of Macroeconomics and ECON 2020 Principles of Microeconomics. All other majors will have ECO 151 and ECO 152 transfer in as ECON 2000 Survey of Economics.
