

Webster University awards credit for the **DANTES Subject Standardized Test (DSST)**. Specific information about DSST exams is available on the [DSST website](#).

Webster University, St. Louis serves as a testing center for DSST. Please contact the [Testing Center](#) at 314-246-8225 for more information. If you choose to take the test elsewhere, simply direct the scores to Webster.

Prior to completing a DSST exam, it is recommended that you discuss this with your academic advisor. There are many factors to consider, such as how it will apply toward degree requirements, potential duplication of credit, and whether you have already transferred the maximum number of credits in any category.

Webster University faculty reviews the content of the DSST exams to determine course equivalents and required scores. The following chart provides a list of DSST exams considered for credit at Webster.

DSST Exam	Required Score	GCP Equivalent	Department Equivalent	Credit Hours & Level
