

**Using This Guide:**

This guide is intended to assist prospective Webster University students in understanding the University's Global Citizenship Program (GCP) requirements and how to fulfill these requirements at one of the colleges in the South Carolina Technical College System (SCTCS). This should not be used in place of individual academic advising. All students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience. All transfer credit is subject to final evaluation by the Registrar's office upon admission to Webster and receipt of official transcripts.

Transfer with AA or AS Degree:

Students who transfer with an Associate in Arts degree (AA) or the Associate in Science Degree (AS) will have satisfied the general education requirements and GLBL 1200 Global Cornerstone Seminar requirement of the Global Citizenship Program. Completion of the degree must be verified or documented on the official transcript from a South Carolina community college. All students are required to take the Global Keystone Seminar at Webster University.

Transfer with AAS Degree:

Students transferring with an Associate in Applied Science (AAS) degree will have previous college-level coursework evaluated on a course-by-course basis. The transfer guide will explain Webster University's general education requirements and direct students how to fulfill these requirements with South Carolina Technical College System coursework.

Transfer without a Degree:

Students transferring without completion of a degree will have previous college-level coursework evaluated on a course-by-course basis. The transfer guide will explain Webster University's general education requirements and direct students how to fulfill these requirements with South Carolina Technical College System coursework.

About the Global Citizenship Program:

The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges. Effective academic year 2020-2021 all new students will follow requirements of the GCP.

Requirements of the GCP:**I) General Education Requirements****A. Course (Knowledge) Requirements:** 24 credit hours distributed as indicated below.

1. Six (6) credit hours from courses with two different prefixes designated *Roots of Cultures (ROC)*.
2. Six (6) credit hours from courses with two different prefixes designated *Social Systems & Human Behavior (SSHB)*.
3. Three (3) credit hours from courses designated *Physical and Natural World (PNW)*.
4. Three (3) credit hours from courses designated *Global Understanding (GLBL)*.
5. Three (3) credit hours from courses designated *Arts Appreciation (ARTS)*.
6. Three (3) credit hours from courses designated *Quantitative Literacy (QL)*.

No courses used to fulfill the requirements of a student's *first* major may be used to satisfy GCP Course (Knowledge) requirements. Courses in a second major or in a minor or certificate program may be used to satisfy GCP course requirements.

Special accommodations for GCP are made for a small number of majors with high credit-hour requirements. These are noted in the undergraduate catalog for the applicable majors. Questions should be directed to Webster transfer admissions counselor or academic advisor.

B. Skills Requirements:

1. All students must complete three (3) credit hours in courses coded for each of the following skills:
 - a. *Written Communication (WCOM)*
 - b. *Oral Communication (OCOM)*
 - c. *Critical Thinking (CRI)*
 - d. *Intercultural Competence (INTC)*
 - e. *Ethical Reasoning (ETH)*

Courses used to fulfill requirements of a student's major may be used to satisfy GCP Skills requirements. Courses taken at Webster will likely be coded for a GCP course (knowledge) area and GCP skills area.

II) Undergraduate Degree Requirements: 6 credit hours as indicated below.

A. GLBC 1200 Global Cornerstone Seminar ~~ For students who transfer to Webster University without an associate degree, a substitute for First Year Seminar will need to be completed. Students should work with their admissions counselor or academic advisor in meeting this requirement.

Students from the South Carolina Technical College System who transfer with an associates degree will have satisfied the GLBC 1200 Global Cornerstone Seminar requirement.

B. Global Keystone Seminar ~~ This course is an upper level undergraduate degree requirement for all students, to be completed at Webster University. The course engages students in developing and using intellectual and practical skills to demonstrate their understanding of responsible global citizenship, through collaborative participation in meaningful, real-world projects and problem-solving experiences. Additional information, including Global Keystone course descriptions can be found here:

<http://www.webster.edu/global-citizenship/keystones.html>

Transfer Guidelines:

Webster University will generally grant credit for all college-level courses completed with a passing grade from accredited colleges and universities. In reviewing transfer credit, the following guidelines apply:

- Maximum of 90 credit hours may be transferred; all students must complete 30 of the final 36 hours directly from Webster University.
- Within the 90 hour maximum, only 64 hours can be lower division or community college coursework unless an approved associate's degree has been completed. If an associate degree has been completed, only the number of hours earned toward that degree will be transferred.
- Duplicate coursework does not transfer.
- Students must earn a grade of C or better in any course they wish to apply toward Global Citizenship Program requirements.

Please see [Undergraduate catalog](#) for more detailed information regarding credit transfer policies.

South Carolina Technical College System courses that satisfy each of the GCP course (knowledge) and skill requirements are listed on the following pages.

☐ Course (Knowledge) Requirement: Roots of Cultures (ROC) 6 hours representing 2 different prefixes

| | |
|--------------------------------------|---|
| ANT 202 Cultural Anthropology | ENG 231 Middle Eastern Literature |
| ART 107 History of Early Western Art | ENG 234 Survey in Minority Literature |
| ART 108 History of Western Art | ENG 236 African American Literature |
| ART 208 Art Since 1945 | HIS 101 Western Civilization to 1689 |
| ENG 201 American Literature I | HIS 102 Western Civilization Post 1969 |
| ENG 202 American Literature II | HIS 104 World History I |
| ENG 203 American Literature Survey | HIS 105 World History II |
| ENG 205 English Literature I | HIS 106 Introduction to African History |
| ENG 206 English Literature II | HIS 107 Introduction to the Middle East |
| ENG 208 World Literature I | HIS 108 Introduction to East Asian Civilization |
| ENG 209 World Literature II | HIS 109 Introduction to Latin American Civilization |
| ENG 210 Asian Literature | HIS 113 Native American History |

Below is an alphabetical listing of South Carolina Technical College System courses that satisfy the Global Citizenship Program course and skill requirements at Webster:

- ANT 202 Cultural Anthropology (ROC)
 ANT 203 Physical Anthropology and Archeology (PNW)
- ART 101 Art History and Appreciation (ARTS)
 ART 105 Film as Art (ARTS)
 ART 107 History of Early Western Art (ROC)
 ART 108 History of Western Art (ROC)
 ART 111 Basic Drawing I (ARTS)
 ART 202 Ceramics (ARTS)
 ART 207 Printmaking (ARTS)
 ART 208 Art Since 1945 (ROC)
 ART 211 Introduction to Painting (ARTS)
 ART 212 Introduction to Watercolor (ARTS)
- AST 101 Solar System Astronomy (PNW)
 AST 102 Stellar Astronomy (PNW)
- BIO 100 Introductory Biology (PNW)
 BIO 101 Biological Sciences I (PNW)
 BIO 105 Principles of Biology (PNW)
 BIO 110 General Anatomy and Physiology (PNW)
 BIO 112 Basic Anatomy and Physiology (PNW)
 BIO 115 Basic Microbiology (PNW)
 BIO 201 Zoology (PNW)
 BIO 205 Ecology (PNW)
- BUS 240 Business Statistics (QL)
- CHM 100 Introductory Chemistry (PNW)
 CHM 101 General Chemistry (PNW)
 CHM 106 Contemporary Chemistry (PNW)
 CHM 110 College Chemistry I (PNW)
- ECO 201 Economic Concepts (SSHB)
 ECO 210 Macroeconomics (SSHB)
 ECO 211 Microeconomics (SSHB)
- ENG 101 English Composition I (WCOM)
 ENG 102 English Composition II (WCOM)
 ENG 201 American Literature I (ROC)
 ENG 202 American Literature II (ROC)
 ENG 203 American Literature Survey (ROC)
